## **COMPUTER STUDIES**

**Grade thresholds** taken for Syllabus 0420 (Computer Studies) in the October/November 2007 examination.

|                   | maximum | minimum mark required for grade: |    |    |    |
|-------------------|---------|----------------------------------|----|----|----|
| mark<br>available | А       | С                                | Е  | F  |    |
| Component 1       | 100     | 63                               | 40 | 26 | 20 |

The threshold (minimum mark) for B is set halfway between those for Grades A and C. The threshold (minimum mark) for D is set halfway between those for Grades C and E. The threshold (minimum mark) for G is set as many marks below the F threshold as the E threshold is above it.

Grade A\* does not exist at the level of an individual component.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
