## [Cambridge IGCSE® (0408) (for examination in 2017, 2018 and 2019)]

We have updated this syllabus. The latest syllabus is version 2, published June 2016.

Changes have been made to Section 5.3. Text relating to the addition of poetry as a set text option for Paper 3 has been added to page 14.

Sentence 2 has been updated and now states:

Questions will be set on a range of poetry, prose and drama texts in English translation, or originally written in English.
